

## **Puppy Care Package**

Includes the following:

- Three health exams at 8, 12, and 16 weeks of age
- Three DAPP vaccines\*
- Two Leptospirosis vaccines\*
- One Bordetella vaccine
- One Rabies vaccine
- One Fecal exam
- Two doses of dewormer
- Single dose of Revolution(flea/HW/gi parasite prevention)

**Regular Price \$323.80**  
**Discounted Price \$259.04**  
**Savings: \$64.76**

Upon purchase of a puppy package, you also receive a 10% discount off of the price of a spay/neuter as long as your puppy is spayed/neutered within one year of purchase. Puppy package is non-refundable.

**Regular Price for a neuter: \$225.00**  
**Regular Price for a spay: \$300.00**

All spay/neuter packages include pre-anesthetic blood work, IV fluids, anesthesia monitoring, the surgery itself, and hospitalization. E-collar and pain medication to go home are extra as they are weight/size dependent and vary with the animal.

\*It is the responsibility of the owner to keep scheduled appointments. If vaccines are not given at appropriate intervals (once every 3-6 weeks) additional boosters may need to be given at owner's expense.
